

Defined Benefit Program

The TRS is a defined benefit plan qualified under Section 401(a) of the Internal Revenue Code. Since its inception in 1941, the plan has provided disability and service retirement benefits to members and survivor benefits to qualified beneficiaries. A defined benefit plan provides the employee with a specific benefit at retirement by calculating the retirement benefit based on a formula. Benefits are payable monthly for the lifetime of the member, possibly continuing for the lifetime of his or her beneficiary. The *Code of Alabama 1975*, Section 16-25 contains the actual language governing the plan.
